

Participant Agreement

The listed policies and information are an effort to bring back racing to our community in compliance with County and state health guidelines. Your adherence will help us do so. Please read through the participant agreement and direct any questions to an SRA staff member or info@runsra.org.

I understand that...

- ...I am expected to stay home if I have symptoms consistent with COVID-19 or have tested positive for COVID-19 within 14 days of the event date (December 6, 2020), or if I have come in close contact with someone who has tested positive for COVID-19 within 14 days of the event date (December 6, 2020)
- ...I will undergo a race-day COVID-19 screening and that to enter the event area I must pass the screening
 - Screening will include questions related to the signs, symptoms and exposure to of COVID-19
- ...I am expected to stay 6' away from all non-household members while in attendance
 - The event spaces have been designed in a way that keeps all participants, volunteers, and staff at least 6' away from each other at all times
 - While running, participants are asked to pass with at least 6' clearance
- ..while I am not actively competing in my race I will be required to wear a mask
 - Participants agree to wear face covering in all designated events spaces including the start area, startline, aid stations, finish line and finish area
 - Participants are responsible for keeping their mask on their person while running
 - Participants are responsible for wearing their mask anywhere on course where they may come within 6 feet of someone else including aid stations
- ...only registered participants will be admitted into designated events spaces including the start area, startline, aid stations, finish line, finish area and packet pick up
- ...I have signed up for a wave with a designated report time and that on race-day I will be unable to enter the event area until my assigned report time
 - Report times will be designated by race bib color and wave "letter"

- Participants are responsible for not congregating at the entrance to the event area prior to their report time
- ...all warm ups and bathroom usage must occur prior to my report time, as I will be unable to do so once I have entered the start area
 - Participants agree to wear face covering and maintain 6 feet of social distance during all warm-up activities
 - Runners will start their race within 15 minutes of their report time
- ...that gear check will be unavailable at this event and that I will need to store my belongings elsewhere
- ...there will be limited aid on course and that I should plan on carrying my own fluid and nutrition
 - There will be 10 limited aid stations (six for the half-marathon) on course with fluid replacement options (nuun and water). CLIF Shot gels are available at bib pick up
- ...I will refrain from from spitting or splashing water near or around other participants, volunteers and staff in all event spaces including the course
- ...I will only be running on a closed trail for the first portion of my race. If I come across any additional trail users, I am required to abide my normal bike path etiquette (running on the left side of the trail)
- ...that I am unable to linger in the finish area after I have completed my race
 - Participants will be able to grab their finisher's items and are expected to swiftly make their way out of the finish area
- ...that spectators are not permitted in any event space including the start line, start area, course, aid stations, finish line and finish area
